Subject: Contact List Email 1-EPA issued final permits for the Dewey-Burdock uranium site: weblink to EPA documents

Hello All,

I am going to send emails to everyone on the Dewey-Burdock contact list this evening, but wanted to contact you all first.

EPA has issued final UIC Permits for the Dewey-Burdock uranium recovery project. You can find EPA's response to public comments document and other permit-related documents on the EPA Regional UIC website at:

<https://www.epa.gov/uic/epa-dewey-burdock-class-iii-and-class-v-injection-well-final-area-permits>

Please contact me if I can be of any assistance while you review these documents. I am working from home, so this email address is the best way to contact me.

Valois
